PART B

A. Qualifying Criteria

1.0 Technical Qualifying Requirement

1. The Bidder must have experience of construction of 1 No 132 kV bay along with Supply, Erection, testing & commissioning of associated equipment and Erection of 1 No. 132 kV voltage class Transformer of capacity 20 MVA or above. The above work should have been completed within last seven year and bay must be in satisfactory operation as on the originally scheduled date of bid opening
 - 2(a) Manufacturer authorization of all major equipments (CB, CVT, CT Isolator etc.) proposed to be supplied should be from PTCUL approved vendor list or PGCIL approved vendor list.
 - 2(b) Manufacturer authorization of Power Transformer shall be from the manufacturers as mentioned in the technical specifications.
3. The manufacturer proposed for transformer should meet the following requirement.
 - a) The manufacturer should have minimum 10 years manufacturing experience of similar or higher voltage class transformer.
 - b) The transformer offered by bidder should have type test report not older than 7 year as on the date of bid opening and shall enclose the relevant test report/certificate along with bid.

- c) Manufacturer should have successfully carried out Dynamic Short Circuit Test on any rating of 132 KV or above voltage class transformer as on the originally scheduled date of bid opening and shall enclose the relevant Test Report/certificate along with bid. In case bidder has not successfully tested 132 KV or above voltage class transformer for Dynamic Short Circuit Test, their bid shall be considered technically non-responsive. Further, design review of offered 132 kV Class Transformer shall be carried out based on design of short circuit tested 132 KV or above voltage class Transformer.
- d) The manufacturer should have the facilities especially VPD (Vapour Phase Drying) and dust proof winding section. Proof of same has to be provided with the bid.
- e) The manufacturer must have in house facilities to conduct all type tests as per latest IS/IEC including Impulse Test facilities.
- f) The manufacturer should have supplied at least 20 Nos. transformers of capacity 40 MVA 132/33 KV or higher capacity and voltage class in last 5 years, Performance certificate of all for successful operation for at least 1 year should be submitted with the bid.
- g) The manufacturer should be an ISO 9001/9002 and 14000 certified manufacturer.

2.0. Financial Qualifying Requirement

1. **Minimum Average Annual Turnover:-** The minimum average annual turnover of the tenderer **for the best three years (36 months) out of the last five years** should not be less than **Rs. 12.24 Crores.**

2. **Access to Finances:-** The Bidder must demonstrate availability of access to finance for **Rs. 2.45 Crores** at the time of bidding through a certificate (as per Annexure-A) duly certified by a Chartered Accountants/ Auditor of the company which shall not be more than one month old as compared as compared to the date of submission of the bid.

For Financial Qualification Criteria, lead partner of JV Firms should meet minimum 50% of Financial Qualification Requirement (FQR) and collectively meet total Financial Qualification Requirement of the respective tender. All partners of JV Firms should have the experience for activities of Construction/Manufacturing of items or equipments/Supply of items or equipments or products, meant for transmission utilities only.

3. Experience of having successfully completed similar works during last 7 years ending last day of month previous to the one in which applications are invited should be either of the following:

(a) Three similar completed works costing not less than the amount equal to Rs. 3.26 crores.

OR

(b) Two similar completed works costing not less than the amount equal to Rs. 4.08 crores.

OR

(c) One similar completed works costing not less than the amount equal to Rs. 6.53 crores.

In the above criteria, the "Similar Work" shall be "Supply & Erection of equipments for bays of voltage 132KV or above / Supply & Erection of 132KV or above voltage class transformers / Supply & Erection of 132KV or above substation on turnkey basis".

Note: The balance sheet and all other financial documents attested/certified by CAs to substantiate fulfillment of FQR should be with UDIN failing which the tender will be summarily rejected without any further reference.

B. E.P.F. Registration certificate is mandatory to be submitted with the technical bid (part-I).

The other details, terms & conditions are given in tender documents.

Under signed reserves the right to reject the offer of one or all the tenderers without assigning the reason thereof.

E-Tenders will be received and opened on the dates as mentioned above. In case the above date is holiday, the tenders will be received & opened on the next working day at same time. This office is not responsible if the tender documents are delayed in transit or are not made available by the Postal Department / Courier. The under signed reserve the right to reject any or all tenders without assigning any reason thereof and no claim on this account shall be acceptable. The tenders received after the date & time as mentioned above shall not be considered. All other details and terms & conditions are available in tender document.
