Subject:- Regarding Vendor Registration for Supply of Battery Charger (upto 110 V DC) in PTCUL.

Dear Sir,

Please refer your letter no. STPS/22-23/101 dated 03.12.2022 vide which you have applied for Vendor Registration in PTCUL. In this connection, your Factory works was inspected on dated 13.12.2022 by Er. Harsh Kumar Verma, EE(T&C), Rishikesh and your credentials were evaluated. Your Vendor Registration has been accepted and you are being registered as a Vendor for Supply of Battery Charger (upto 110 V DC) in PTCUL in Turnkey Contracts and for participation in tenders for these items floated by PTCUL provided your Company meets the PQR criteria of the respective floated tender. Your Vendor Registration has been accepted with following conditions:-

1. Company will have to follow the rules and regulation laid down by PTCUL.
2. The Vendor Registration will be applicable only if company qualifies the techno-commercial conditions of the respective tender.
3. The Battery Charger to be supplied should be type tested for it's design as per requirement of agreement.
4. Drawing and GTP to be approved by Engineering Wing of PTCUL at the initial stage as per the terms & conditions of respective contract.
5. Company has to get the approval of MQP before commencement of their production.
6. This acceptance does not absolve the Company from contractual obligations & terms and conditions of the respective tender.
7. Validity of approval shall be considered based on timely supply & quality performance.
8. If any discrepancy observed in future, the Vendor Registration will be cancelled without any prior notice for which M/s Sine Tech Power System will be fully responsible.
9. This Registration is valid for the period of 05 (FIVE) years from the date of issue of this letter.
10. Company has to apply for Re-registration at least two months before from the last date of expiry of this Registration.

(Neeraj Pathak)

Superintending Engineer (QA/QC)
