Subject:- Regarding Vendor Registration for Supply of Station Transformer upto 33 kV in PTCUL.

Dear Sir,

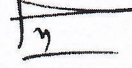

With reference to the above subject, our representative visited your premises for factory inspection on dated 23.09.2025 and Credentials furnished by your firm have been scrutinized and found to be generally in order. Therefore we are pleased to inform you that your firm has been accepted for Supply of Station Transformer upto 33 kV in PTCUL in turnkey contracts and participation in tenders floated by PTCUL.

It may please be noted that your supply of above equipment/material shall be strictly as per relevant IS/IEC, Technical Specifications. Acceptance for supply against any particular PTCUL Project shall be subject to meeting the qualifying requirements of concerned package, PTCUL Specifications, approved Drawings/GTP, Data Sheets including Type Testing of the Specific supply items as applicable, approval of MQP, FAT and Sourcing of Raw Materials. If at any point of time, any non-conformity is noticed in this regard, PTCUL reserves the right to withdraw this approval with immediate effect. Your Vendor Registration has been accepted with following conditions:-

1. Company will have to follow the rules and regulations laid down by PTCUL.
2. The Vendor Registration will be applicable only if company qualifies the techno-commercial conditions of the respective tender.
3. The equipment/material to be supplied should be type tested for it's design as per requirement of agreement.
4. Drawing and GTP to be approved by Engineering wing of PTCUL at the initial stage as per the terms & conditions of respective contract.
5. Company has to get the approval of MQP & FAT from QA/QC before commencement of their production.
6. This acceptance does not absolve the Company from contractual obligations & terms and conditions of the respective tender.
7. Validity of approval shall be considered based on timely supply & quality performance.

1/2

8. If any discrepancy/complaint observed in future, the Vendor Registration will be cancelled without any prior notice for which M/s PVJ Power Solutions Pvt. Ltd. will be fully responsible.
9. This Registration is valid for the period of 05 (FIVE) years from the date of issue of this letter.
10. Company has to apply for Re-registration at least two months before from the last date of expiry of this Registration.

(Pankaj Kumar)
Superintending Engineer
